Dog's Name: _____ Breed: _____

Emergency Contact: _____ Phone: _____

VACCINATION REQUIREMENTS - MANDATORY

All dogs entering or using any part of the Paws N Play premises must have current vaccination records on file with us.

Owners/handlers must provide Paws N Play with an updated and current vaccination record from their veterinarian confirming:

- **Current Rabies Vaccination**
- **Current Kennel Cough (Bordetella) Vaccination**

PROOF OF VACCINATION IS REQUIRED

A copy of your dog's current vaccination record must be provided to Paws N Play and kept on file **before your dog may enter or use ANY part of the premises**, including the Dog Cafe, Playground, Daycare, Boarding, Grooming areas where applicable, or any other dog-accessible area.

Vaccination records can be obtained from your veterinarian. The record must identify the dog and show the vaccination type and current vaccination status or expiry date.

- I have provided Paws N Play with my dog's current Rabies vaccination record.
- I have provided Paws N Play with my dog's current Kennel Cough (Bordetella) vaccination record.
- I understand that my dog cannot enter or use any part of the premises until both required vaccination records have been provided and are on file.
- I understand that I am responsible for providing updated vaccination records when my dog's vaccinations are renewed or expire.

Paws N Play reserves the right to refuse entry or services to any dog whose required vaccination records are missing, incomplete, or expired.

DOG HEALTH & BEHAVIOUR

- **NON-REACTIVE:** I confirm that, to the best of my knowledge, my dog is not reactive toward people or other dogs in a manner that would make participation unsafe.
- **NON-AGGRESSIVE:** I confirm that, to the best of my knowledge, my dog does not have a history of dangerous or aggressive behaviour toward people or other dogs.
- My dog is currently in good health and, to the best of my knowledge, does not have a contagious illness, infection, parasites, vomiting, diarrhea, coughing, or another condition that could put other dogs at risk.
- I will immediately inform Paws N Play staff of any known behavioural concerns, bite history, guarding behaviour, fear, anxiety, or other information that could affect safety.

OWNER/HANDLER RESPONSIBILITY

- **I understand that I am responsible for my dog at all times while my dog is on the premises unless my dog has been formally checked into a paid daycare or boarding service and accepted into the care of Paws N Play.**
- I agree to supervise and maintain reasonable control of my dog while using the cafe, playground, or other customer areas.
- I am responsible for cleaning up after my dog and following all posted Paws N Play rules and staff instructions.

■ I accept responsibility for injury or damage caused by my dog to another dog, person, property, furniture, equipment, or the premises, to the extent permitted by law.

ASSUMPTION OF RISK

I understand that interaction between dogs involves inherent and unpredictable risks. Even friendly, well-socialized dogs may unexpectedly become frightened, reactive, defensive, injured, or involved in an altercation. I voluntarily assume the ordinary and inherent risks associated with bringing my dog onto the premises and allowing my dog to interact with other dogs and people, including bites, scratches, falls, collisions, illness, disease transmission, escape, property damage, and injury.

RELEASE & LIABILITY

To the fullest extent permitted by applicable law, I agree that Paws N Play, its owners, employees, contractors, and representatives will not be responsible for injury, illness, loss, or damage arising from the ordinary and inherent risks of participating in dog play or using the premises. Nothing in this waiver is intended to exclude or limit liability that cannot legally be excluded or limited under British Columbia law.

EMERGENCY CARE

If an emergency occurs and I cannot be reached, I authorize Paws N Play staff to take reasonable steps to protect the immediate health and safety of my dog, including contacting or transporting my dog to a veterinarian when reasonably necessary. I understand that I am responsible for veterinary expenses incurred on behalf of my dog, except to the extent responsibility is determined otherwise under applicable law.
